

## **Thomas Weatherford**

Weatherford, retired in January 2003 as Executive Vice President and Chief Financial Officer of the business intelligence software leader, Business Objects S.A. (NASDAQ-BOBJ) having served in that position since 1997. With over 36 years in global technology, Weatherford has held senior financial positions at NETCOM On-Line Communication Services, Logitech, Texas Instruments, Schlumberger, and Tandem Computers in the US, Europe, and Japan. He currently serves on the boards of Saba Software, Inc (NASDAQ-SABA), Synplicity Inc (NASDAQ-SYNP), Tesco Corporation (NASDAQ-TESOF), Advanced Analogic Technologies (NASDAQ-AATI), SMART Modular Technologies (NASDAQ- SMOD), Mellanox Technologies (NASDAQ-MLNX) and several private companies. In 2003, Thom, along the newly appointed CEO, was asked to create a new board which was successful in leading Peregrine Software to emerge from Chapter 11 five months later.

Thom has also served as a panelist for The National Association of Corporate Directors (The Audit Committee Battleground), The National Investor Relations Institute (Implementing an Investor Relations Program), Pillsbury/Ernst & Young (Managing a Post IPO Company), and the KPMG Audit Committee Institute ( Fall 2005 Audit Committee Roundtable). Thom has been a regular panelist on the Pillsbury Winthrop private company seminar series.
